

CITY WILL FIGHT
B. R. T. CHANGES

Corporation Counsel to Take Action Against Proposed Service on Fourteen Lines.

Assistant Corporation Counsel Dr. and Victory have been assigned to take legal action against the proposed changes of service and fare on fourteen Brooklyn surface car lines.

The changes include curtailment of service in some instances, the collection of second fares or double fares on other lines and the elimination of free or two-cent transfers at various points—compensated in a measure by the issuance of free or two-cent transfers at other points.

Public Service Commissioner Barrett said the matter would be taken up in executive session on Monday next, and that afterward there would be public hearings. The changes as announced by the receiver for the lines affected are to take effect on Jan. 12, unless the city is successful in its fight.

The lines affected are: Broadway, Fulton-Crescent, Jamaica Avenue, Reid Avenue, Utica Avenue, Franklin Avenue, Smith Street, Coney Island Avenue, Park Slope, Rea Gate, Wilton Avenue, Rockaway Parkway, West End and Graham Avenue.

LONDON, Dec. 20 (Associated Press).—All the amendments made by the House of Commons to the Irish Home Rule Bill were agreed to by the House of Lords to-day after a brief debate.

NEARLY ALL INCOME TAX IN.

Many of Those "Unable to Pay" Settled at Last Moment.

WASHINGTON, Dec. 20.—Reports thus far received by the Treasury from internal revenue officers over the country show that more than \$600,000,000 of the income and excess profits tax due on Dec. 15 has been collected. Treasury officials said to-day that when complete returns were in they probably would show collections in excess of the \$550,000,000 estimate made by Treasury.

The reports, it was declared, did not indicate any inability of the taxpayers to meet their obligations to the Government.

FILM COMPANY FINED \$200.

Violated Law as to Number of Reels on Premises.

The Metro Picture Corporation, at No. 1476 Broadway, was to-day fined \$200 by Magistrate Harris on a charge of having more than five reels of motion pictures on its premises without a permit from the Bureau of Combustibles.

A fire which broke out while a film was being projected on Dec. 1 caused \$5,000 damage.
